Re: Official Reports Advance Sheet No. 31 (2015)

Dear Mr. Weinberg:

Thank you for your letter of August 19, 2015 identifying an error in the above-mentioned advance sheet. The misspelling will be corrected for the bound volume 129 AD3d.

I appreciate your taking the time to bring this error to my attention and your interest in the Official Reports. Furthermore, your unbroken string of advance sheet review since 1979 is impressive and quite gratifying to me and my staff.

Sincerely,

A handwritten signature in cursive script that reads "William J. Hooks".
